Let’s Rebuild Together!

A year and a half without fundraisers has taken its toll on PTSA & FOLA, Language Academy’s parent-run organizations. In order to offer the programs our kids love, we are humbly asking families to help rebuild our school’s enrichment programs through tax deductible donations.

**DONATION LEVELS:**

**Electrician / Électricien(ne) / Electricista** - $1+
Many hands make light work. No amount is too small.

**Architect / Architecte / Arquitecto(a)** - $30+
Annual cost of Garden/Art/Dance for each student.

**Designer / Designer / Diseñador(a)** - $50+
Covers the annual cost of running club for 20 students.

**Engineer / Ingénieur(e) / Ingeniera(a)** - $100+
Seven donations at this level pay for a PTSA family event.
Ex: STEAM night, Fête de La Musique, Día de los Muertos, etc.

**Carpenter/ Charpentier(ère) / Carpintero(a)** - $250+/$500+/$1000+
Our school’s shade-sails were paid for by parent donations.
Imagine what we can do next!
